Date: 2024/11/11

Dear Mr./Ms. Gourav

AICTE Student ID: STU67124297031b71729249943
AICTE Internship ID: 172795735966fe896f29339

We extend our warmest congratulations on your selection for a 4-week **internship presented by Edunet Foundation, in collaboration with AICTE & Shell**, focusing on Green Skills using AI technologies.

Shell-Edunet Skills4Future AICTE Internship is designed to support individuals to develop essential foundational skills needed for productive careers in the rapidly evolving job market. Participants will avail the opportunity to earn credentials and guidance by the industry experts, all at no cost throughout the duration of the internship.

This internship provides a unique learning experience, commencing from **14th November 2024 to 14th December 2024.** Throughout this period, you will get the opportunity to work independently on a project under the guidance of a mentor, who will assist you in identifying solutions and developing them into a tangible project.

Benefits:

- Personalized mentorship sessions and collaborative group learning
- Opportunities to expedite learning through project-based internships
- A holistic learning experience provided by industry experts through knowledge-sharing sessions
- Showcase your skills by creating prototypes to solve real-world challenges
- Earn certifications from AICTE, Shell and Edunet, validating your technical knowledge and skills
- Opportunity to present your project prototypes to a panel of industry experts at a regional showcase event.

Timeline and the Project:

Week	Agenda	Student Deliverables
Week 0	Orientation of Internship, Project allocation	• Selection of Projects through Google form • Commence Project Related Tasks
Week 1	Mentoring session on Project Planning, Importing, Pre-Processing & Data Modelling, and Ask Me Anything sessions	• Complete the Weekly Milestone and feedback form • Project related tasks
Week 2	Mentoring session on DAX, Dashboard, Model Selection & Building, Mentorship sessions, and Ask Me Anything sessions	• Complete the Weekly Milestone and feedback form • Project related tasks
Week 3	Mentoring session on Visualization & Dashboard Preparation, Model Evaluation and Optimization, Mentorship sessions, and Ask Me Anything sessions	• Complete the Weekly Milestone and feedback form • Project related tasks • Final Submission of project with PPT

Week 4	Mock project presentations	• Presentation of Project in front of Subject Matter Experts • Incorporate changes in the project mentioned by Mentors
	Final Project Presentations (PPT)	• Final Presentation of Project before Industry Experts

Criteria for certification:

- Attendance 70% or above is mandatory
- Submission of tasks/milestones every week
- Submission of a source file and project presentation in the 3rd week

Stipend:

There will be NO stipend for this internship.

Note: Offer letter will not be considered as final completion certificate.

We wish you a great learning experience during the internship. Thank you!

Sincerely,
Nagesh Singh
Executive Director - Edunet Foundation
